Creation Blessing Ross

Ross, Allen P. Creation and Blessing: A Guide to the Study and Exposition of Genesis. Grand Rapids, MI: Baker Book House, 1988. 744 pp. \$29.95. Among the numerous works on Genesis, this book is unique. It is not a new commentary, theological essay, or methodological introduction. It does not convey new information nor bring out new insights. It is essentially the pedagogic concern of the ...

Creation and Blessing is an exceptionally helpful guide for pastors and teachers. Its literary, exegetical, and theological analyses will enrich any exposition of Genesis. The author's purpose is to "help the reader appreciate the major literary and theological motifs that form the theological ideas in the narratives, and to demonstrate how these theological ideas can be developed into clear ...

Creation and Blessing: A Guide to the Study and Exposition ...

Though this book is entitled Creation and Blessing I do not see Ross arguing for continuity of theme within the book of Genesis. 7. I wish Ross had included more details on how the covenants within Genesis relate to one another. 8. Ross does not emphasize the immediate fulfillment of the Abrahamic Covenant within Genesis: land of goshen, many descendants, blessing to all nations (especially ...
