Data Interpretation for Medical Students, Third Edition ...

Those which have a really special twist involve close friends and family. That is how Data Interpretation for Medical Students came about. Paul Hamilton and I first came to know each other as first year medical students at Queen's University, Belfast in 1997. A shared understanding and interests were apparent, along with an appreciation for each

other's strengths and weaknesses - to be honest I have all the weaknesses and Paul has none!
