Deep Ancestors: Practicing the Religion of the Proto-Indo ...

Through a combination of the linguistics of a reconstructed language, archaeology, and comparative mythology, Deep Ancestors breathes life into the ancient Proto-Indo-European culture and religion. Ceisiwr states "This book must be considered a report on a work in progress. As time goes by, new research will be done, new ideas and data presented, and old texts and archaeology reinterpreted. This will require changes in the beliefs and practices of reconstructed Proto-Indo-European religion ...

Deep Ancestors: Practicing the Religion of the Proto-Indo ...

Last night I finished reading Deep Ancestors: Practicing the Religion of the Proto-Indo-European by Ceisiwr Serith. It is a good book and worth reading. The book will come across as somewhat dry for anyone that is not highly interested in the subject in general. It is a scholarly book over all but it is admittedly based off of well thought-out logical conjecture. The author says as much in the ...

Deep Ancestors: Practicing the Religion of the Proto-Indo ...

Deep Ancestors, Practicing the Religion of the Proto-Indo-Europeans is a wonderful read for most of us have them as our ancestors. Though Christianity is now the dominate religious philosophy of the Indo-European speaking peoples, it was not always so. Christianity has Pagan roots and many traditions that Christians have are from those Pagan traditions. Trying to decipher the religious practices from the remains was a major undertaking, some supposition and persistence on the part of the ...

Sirith shows us a way to discover, derive and learn about the practices of this very ancient Pagan culture in ways that allow us to bring those practices forward into our modern lives. Here's the review I wrote for Amazon (with one small grammar correction): Deep Ancestors is a great read about our Proto-Indo ...

Deep Ancestors - Google Groups

Deep Ancestors can be broadly split into two parts -- Serith's presentation of a reconstructed pantheon of PIE gods and goddesses and then a reconstructed set of rituals. The first half, the reconstructed pantheon, draws heavily on academic sources and is a reasonable interpretation based on a good reading of the literature.

Ceisiwr Serith says in Deep Ancestors: Practicing the Religion of Proto-Indo-Europeans, "...even to the extent that they were patriarchal, pastoral, sky-father-worshipping warriors, they are still our patriarchal, pastoral, sky-father-worshipping warriors. They are our ancestors, and studying them gives us insight into our own culture" (Serith 7). I know this dance of revering my ancestors ...
