

How to Use this Book

Goodword Quran Dictionary for Kids is an ideal first reference book for children who are curious to know about the Quran. Designed especially for children, this unique treasury of Quranic words guides them through over 350 essential names, terms and concepts mentioned in the Quran.

Each word is clearly defined in easy-to-understand language. Sometimes the definitions explain the words with the help of examples.

The entries are shown in colourful strips. These include over 350 essential Quranic names, terms and concepts. Colourful strips make it easy to recognize the word you are looking for.

This section consists of prayers from the Quran with references and their translation, to allow children to learn the meaning and message of the Quran.

Interesting facts about the Quran and the things mentioned in it help children to discover more about the Quran.

Child-friendly and captivating illustrations and photographs make each entry livelier and help you to understand the meaning of the entry properly.

Most of the definitions come with Quran references, to encourage children to refer to the Quran, to look through it and know more about it.
